

Directions to Easitill Ltd at Brixworth, Northampton.

1. Using the A14, from the East, North West, North and West

From the A14 exit at Junction 2 and turn onto the A 508 heading towards Northampton. Travel down the A508 in the direction of Northampton (there is a 40mph speed limit on this first stretch). Pass through the village of Maidwell, and then pass The “Lampport Swan” pub on the right followed by Lampport Hall on the left.

As you come to Brixworth, at the first roundabout (with the recycling centre signposted to the left) take the third exit, into Scaldwell Road.

Then proceed as below entitled “ 3. Ferro Fields”.

2. From the South East, South or South West.

From whatever direction, aim at Northampton but do not go through the centre, but take the ring roads to the right or left of Northampton centre and follow the signs for the A508 to Market Harborough.

Following the A508 north towards Market Harborough approaching the Brixworth area you will come to a roundabout with Brixworth village to the left, the Country Park to the right and straight on is signposted to Brixworth Industry. Proceed straight on towards Brixworth Industry and you will soon see the Pitsford Reservoir stretching out on your right.

At the next roundabout with the recycling centre signposted to the right, take the first left at this roundabout into Scaldwell Road then proceed as below, “3. Ferro Fields”.

“3. Ferro Fields”.

Then take the first road on your right into Ferro Fields. Follow the road around the bend to the right and you will see a circular car park in front of you belonging to “Mawdsley Machinery”, follow the road around to your left and you will see a gate straight in front with a sign saying “Foden Ibex” with Ibex House in the left corner. Enter the car park and park anywhere along the back fence in a free unmarked space.

Enter the brown glass doors, our offices are on the first floor, at the top of the wooden staircase, to your right.
